Sexuality, culture and politics
A South American reader

Although mature and vibrant, Latin American scholarship on sexuality still remains largely invisible to a global readership. In this collection of articles translated from Portuguese and Spanish, South American scholars explore the values, practices, knowledge, moralities and politics of sexuality in a variety of local contexts. While conventionally read as an intellectual legacy of Modernity, Latin American social thinking and research has in fact brought singular forms of engagement with, and new ways of looking at, political processes. Contributors to this reader have produced fresh and situated understandings of the relations between gender, sexuality, culture and society across the region. Topics in this volume include sexual politics and rights, sexual identities and communities, eroticism, pornography and sexual consumerism, sexual health and well-being, intersectional approaches to sexual cultures and behavior, sexual knowledge, and sexuality research methodologies in Latin America.
# Table of contents

## I. OPENING INTERROGATIONS

1. The boundaries and conventions of sexual knowledge  
   Adriana Piscitelli, Maria Filomena Gregori and Sérgio Carrara  
   9

2. Researching sexual subjects  
   Mario Pecheny  
   25

3. Towards a democratic right to sexuality  
   Roger Raupp Rios  
   31

4. Sexuality and Social Science as seen from Brazil: a critical reading of conventions  
   Luiz Fernando Dias Duarte  
   58

## II. SEXUAL POLITICS AND RIGHTS

5. On hues, tints and shades: subjects, connections and challenges in the Brazilian LGBT movement  
   Regina Facchini and Isadora Lins França  
   89

6. Constructing violence against homosexuals: bringing activism and academia together in public policy  
   Silvia Ramos and Sérgio Carrara  
   109

7. Changing one’s legal name: the transsexual issue  
   Elizabeth Zambrano  
   126

8. Same sex marriage: ‘remote and strange peoples’ in a ‘decent society’  
   Miguel Vale de Almeida  
   139

9. Same-sex marriage and the public sphere in Argentina  
   Renata Hiller  
   152
